

# Certificate

LGA InterCert Zertifizierungsgesellschaft mbH, an accredited and recognized certification body for products, herewith certifies that there is the justifiable confidence that the feed of the company

**Karl Schmidt Spedition GmbH & Co. KG**  
Rötelstraße 1  
74076 Heilbronn  
Germany

meets the requirements of the GMP standards

**B4.1 Animal Feed Road Transport  
incl. annex 14**

of the GMP<sup>+</sup>:2006 Certification Scheme for the Animal Feed Sector 2006 of  
Productschap Diervoeder, Den Haag, The Netherlands ([www.pdv.nl](http://www.pdv.nl)).

The certification refers to the activities and animal feed:  
Transport of animal feed, feed additives, premixes, compound feed and single feed materials.

The feed safety system and the feed will be verified in periodical surveillance audits in accordance with GMP C3 standard, assessment and certification criteria, on the basis of the above mentioned standards.

This certificate is valid until September 17, 2011

Registration no.: **GMP-1882611**

Nuremberg, September 25, 2008

PDV registration no.: 103718
